## Abstract

See manuscript file.

(*iproc 0000;##(##):e##*) doi:[10.2196/11766](https://doi.org/10.2196/11766)

**KEYWORDS**

machine learning; mobile health; positive predictive value; obstetrics

**Acknowledgments**

See manuscript file.

**Conflicts of Interest**

See manuscript file.

**Authors' Contributions**

See manuscript file.
